

rise
Sports Republic

Club Pavillion: Merlin Rise is all about active lifestyle. There is alot more than just your BHK life. The speciality is having National and International standard coaching, instruments and techniques.The list doesn't end there post your gaming, your chill session could prolong at the **Sports Cafe**. Spread over an imposing land area "RISE -Sports Republic" will

include sports academies and sports related infrastructural facilities that include Cricket Ground, Football Ground, Indoor Sports Area, Swimming Pool and a host of other amenities like nowhere else.

CLUB

*artistic impression

Merlin Group, India's leading real estate conglomerate brings you a colossal Sports-themed Greenfield township.

Spread over an imposing land area the project christened as "RISE - Sports Republic" is a self-sufficient township with all amenities required for today's modern living. India is the treasure-trove of untrained talents in sports. There is a dire need for identifying and grooming talents from the grassroots level. The academies will hire international supervisors and coaches who will nurture the talent pool, train them and take them to the next level to possibly represent the District , State & Nation.

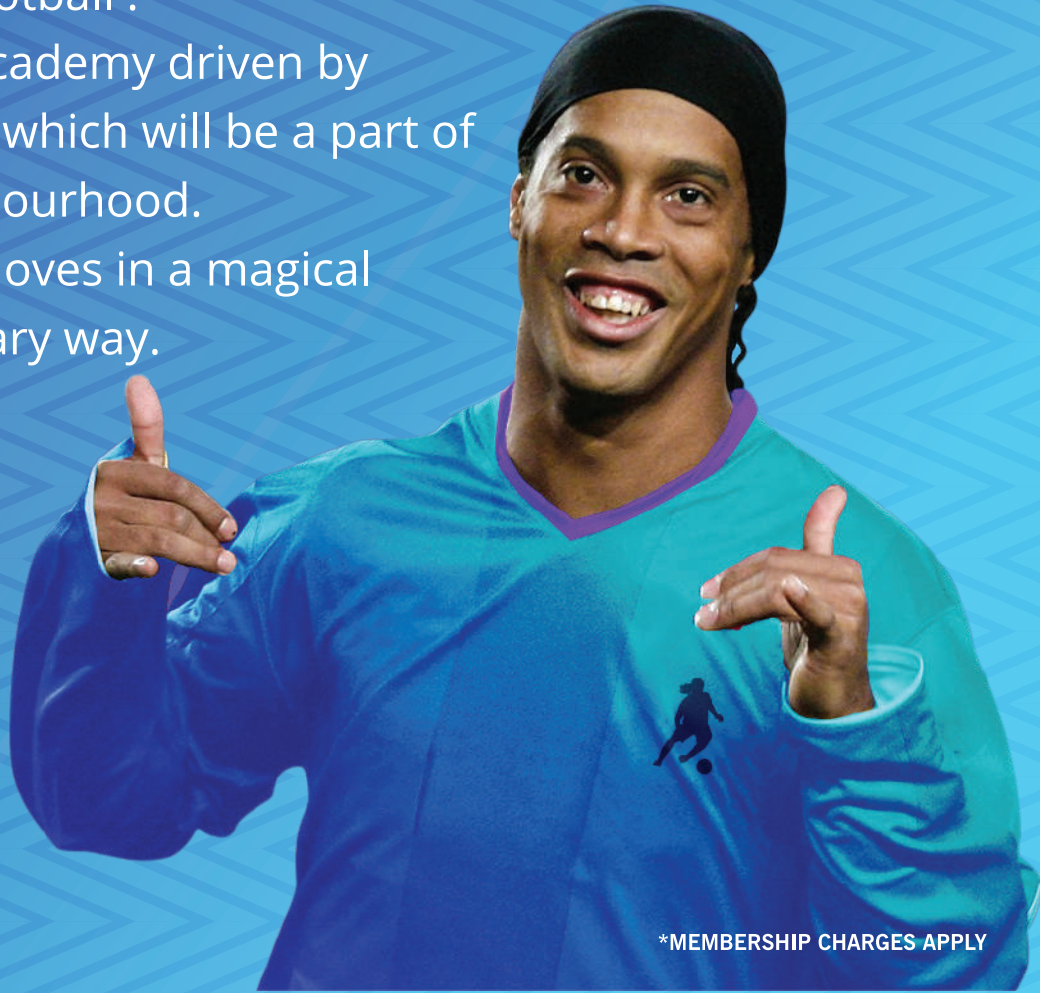

SPORTS

RONALDINHO

is a legendary sportsman who is associated with excellence in the World of Football .

R10 is an academy driven by Ronaldinho which will be a part of your neighbourhood.

Learn the moves in a magical and legendary way.

*MEMBERSHIP CHARGES APPLY

R10 Academy has an exclusive training system and a Virtues Program for girls and boys between the ages of 4 and 17. Focused on forming champions on and off the field, the brand is expanding rapidly and is already present in North America, South America, Asia and the Middle East. We believe in sport as a means for social transformation, opportunity generation and the development of young citizens who are more confident and ready to achieve individual goals, as well as give back to society. A soccer academy that goes far beyond teaching how to obtain high performances in a sport. A training center that helps develop more capable, resilient and winning children and

adolescents in any area. A method with the trademark of excellence to be the best in the world.

MICHAEL PHELPS SWIMMING

isn't just about the swimmers but it's
also about the instructors/trainers
who are the
backbone of this academy.

The instructors are
trained to introduce
swimming
concepts in the
G.O.A.T way.

*artistic impression

Michael Phelps is passionate about growing the sport of swimming and encouraging more children to learn the sport. At Michael Phelps Swimming Academy, it isn't just about the swimmers but it's about instructors/trainers who are the main backbone of this service. Utmost care is taken to select the most competent instructors who are trained to introduce swimming concepts in fun and imaginative ways!

This combination of teaching physical and

mental concepts has made the program a success for nearly 30 years and ensures each participant is safe, comfortable, and confident in and around water.
